Tarasht, Tehran, Iran

Profile Summary

I am a highly motivated backend developer with extensive experience using Django and Python. I possess excellent problem-solving skills and am a fast learner, always eager to take on new challenges. Recently, I have expanded my skillset to include DevOps practices, allowing me to ensure the seamless integration of software and IT operations for efficient and effective product delivery.

Education

Master of Mechanical Engineering

Branch: Energy Transfer

Institute/University: University of Kashan

Kashan, Isfahan, Iran

2016 - 2019

GPA : 3.32

Bachelor of Mechanical Engineering

Branch: Fluids

Institute/University: University of Kashan

Kashan, Isfahan, Iran

2012 - 2016

GPA : 3

Work Experience

Data Analyst

Itech Accelerator

Tehran, Iran

May 2023 - Present

Tasks and Achievements

- Performed data cleaning and preprocessing tasks to ensure accuracy and consistency of datasets
- Conducted data analysis by applying statistical techniques and data mining algorithms
- Developed and implemented data models and algorithms to extract insights from large datasets
- Collaborated with cross-functional teams to identify business needs and provide data-driven solutions

Python/Django Developer

FreeLancer

Tehran, Iran

August 2021 - Present

Tasks and Achievements

- Developed and maintained web applications using Python and Django framework
- Collaborated with cross-functional teams to define project requirements and deliver high-quality software solutions
